

PROFESSIONAL SERVICES SCHEDULE

This Schedule forms a part of the Hyland Master Agreement or any other agreement between Customer and Hyland (the "Agreement") which incorporates this Schedule by reference.

DEFINED TERMS:

All capitalized terms used in this Schedule shall have the meaning ascribed them in this Schedule or, if not defined in this Schedule, the General Terms Schedule. If any capitalized terms used herein are not defined in this Schedule or the General Terms Schedule, they shall have the meaning ascribed to them elsewhere in the Agreement.

"Services Proposal" means either: (a) a written proposal issued under a Schedule, and which sets forth the Professional Services Hyland will provide to Customer and which is signed by Customer and Hyland; or (b) a purchase order submitted by Customer and accepted by Hyland for Professional Services.

"Specifications" means the definitive, final functional specifications for Work Products, if any, produced by Hyland under a Services Proposal. Specifications shall be considered Documentation, where used in the Agreement, in the case of Work Products.

"Working Hour" means the services of one (1) person for a period of one (1) hour (or any part thereof) during regular business hours.

"Work Products" means all items in the nature of computer software, including source code, object code, scripts, and any components or elements of the foregoing, or items created using the configuration tools of the Software, together with any and all design documents associated with items in the nature of computer software, in each case which are created, developed, discovered, conceived or introduced by Hyland, working either alone or in conjunction with others, in the performance of services under the Agreement. If applicable, Work Products shall include any pre-configured templates or VBScripts which have been or may be created or otherwise provided by Hyland to Customer as part of the configuration of the advance capture module of the Software.

1. SERVICES PROPOSAL. During the term of this Schedule, Customer may request Professional Services from Hyland. Hyland and Customer will discuss the parameters of the request and Hyland will inform the Customer as to whether the Professional Services shall be performed pursuant to a Services Proposal.

2. FULFILLMENT. Hyland will provide the Professional Services described in any mutually agreed upon Services Proposal at a time and on a schedule that is mutually agreed upon by the parties. If any delays in such Professional Services occur solely as a result of any incorrect information, incorrect assumption or failure of Customer to perform or fulfill its obligations in connection with any Services Proposal, the performance schedule for the applicable project may be extended. Hyland shall have no liability or responsibility for any costs or expenses resulting from such delays. In the event that performance of any milestone set forth in any Services Proposal is not met due to a delay solely caused by Hyland, and provided that such cause is not an event of force majeure as described in the General Terms, Hyland agrees, at no additional charge to Customer, to commit such additional resources and personnel as shall be necessary to ensure that such delay does not result in the slippage of later milestones or completion of such Professional Services. The parties agree that any Professional Services or Work Products described in this Schedule that have been performed or developed, in whole or in part, prior to the execution of the Agreement by the parties nevertheless shall be covered by all terms and conditions of this Schedule.

3. CHANGES TO SERVICES PROPOSAL. Hyland or Customer may, at any time, reasonably request a change to any Service Proposal. Any requested change that the parties mutually accept (a "Change") will be set forth in a written change order prepared by Hyland and agreed to and signed by both parties that specifically references the relevant Service Proposal. In the event the parties are unable to mutually agree upon a proposed Change or a proposed change order, and such proposed Change relates to a material component of the project that is the subject of the relevant Services

Proposal, either party may terminate such Service Proposal upon not less than thirty (30) days advance written notice to the other party.

4. CUSTOMER'S OBLIGATIONS.

4.1 Assistance and Obligations. Customer agrees that it will cooperate with and assist Hyland in the performance of Professional Services under any Services Proposal; will provide the resources specified in the relevant Services Proposal; and will perform or fulfill all obligations required to be performed or fulfilled by Customer under the terms of the relevant Services Proposal. Customer acknowledges that if it fails to provide assistance and perform or fulfill its obligations in accordance with this Section and the relevant Services Proposal, Hyland's ability to provide such Professional Services, meet the performance schedule set forth in such Services Proposal and keep services fees reasonably in line with any estimates given in the Services Proposal may be adversely affected. During any period in which Hyland is performing services hereunder, Customer shall provide to the Hyland project team independent local (onsite) and remote (offsite) access through the use of secure connections such as a network connection, VPN connection or other similar methods and dedicated user accounts with appropriate privileges to the applicable Software, hardware or virtual machines allocated to the applicable software system. Remote and local access will be granted for all provisioned environments, including production.

Any estimates of fees or Working Hours required to complete the project are approximations of the anticipated amount of fees and time needed to complete the project. The actual number of Working Hours may vary.

6. TRAVEL AND EXPENSES. Customer shall be responsible to pay or reimburse Hyland for all customary and reasonable out-of-pocket costs and expenses incurred by Hyland in connection with the performance of services under the Agreement (including fees and expenses relating to travel, meals, lodging and third party vendor registration requirements) in accordance with Hyland's applicable internal policy for the reimbursement of costs and expenses to its employees ("Hyland Expense Policy"). Except as otherwise provided in any applicable Services Proposal, Hyland shall invoice Customer for all reimbursable costs and expenses on a monthly basis, in arrears; and Customer shall pay in full each such invoice in accordance with the General Terms.

7. LIMITED WARRANTY FOR SERVICES.

7.1 Limited Warranty. For a period of sixty (60) days from the date of completion of Professional Services, Hyland warrants to Customer that such services have been performed in a good and workmanlike manner and substantially according to industry standards. This warranty specifically excludes non-performance issues caused as a result of incorrect data or incorrect procedures used or provided by Customer or a third party or failure of Customer to perform and fulfill its obligations under the Agreement.

7.2 Remedy. Hyland's sole obligation, and Customer's sole and exclusive remedy for any non-conformities to the express limited warranties under Section 7.1 above shall be as follows: provided that, within the applicable 60-day period, Customer notifies Hyland in writing of the non-conformity, Hyland will use reasonable efforts to re-perform the non-conforming services in an attempt to correct the non-conformity(ies). Professional Services paid prior to the time of such termination.

8. WORK PRODUCTS.

8.1 Work Products License. Hyland grants to Customer a limited, non-exclusive and non-assignable license to use the Work Products only in connection with Customer's authorized use of the Software, Hosted Solution, or Add-On Cloud Services, or other Hyland product or service (collectively "Hyland Core Product") with which such Work Product was delivered by Hyland for use by Customer. Customer may not: (a) make or authorize the making of copies of any Work Products; (b) remove any Hyland notices in the Work Products; (c) sell, transfer, rent, lease, time share or sublicense the Work Products to any third party; or (d) disassemble, decompile, reverse engineer or otherwise attempt to derive source code from any Work Product for any reason. All restrictions on use of the Hyland Core Product, including without limitation export restrictions and U.S. Government End User provisions, shall apply to the Work Products. If the license to the Hyland Core Product with which such Work Product was delivered by Hyland for use by Customer terminates, Customer's right to use the applicable Work Product shall also terminate. All post-termination rights and obligations with respect to the applicable Core Hyland Product shall also apply to the Work Product.

If Hyland delivers a Work Product: (a) in the form of (1) source code which is compiled by tools in the Software to machine language form; or (ii) a script; or (b) created using the configuration tools in the Software (a "Configuration Work Product"), then Hyland grants to Customer the limited right to modify the Configuration Work Product, provided such modified Configuration Work Product is used only in compliance with the terms of the limited license to such Work Product granted under this Section.

8.2.3 Independent Work Products. If Hyland delivers a Work Product which is not a Configuration Work Product (an "Independent Work Product"), then, except as otherwise provided in the last sentence of this paragraph, Customer may not alter or modify such Independent Work Product. If Hyland delivers an Independent Work Product, and Customer desires to obtain the right to modify the Independent Work Product, then the parties may mutually agree that Hyland shall deliver to Customer a copy of the format of the Independent Work Product that is necessary to enable the Customer to complete its modifications, subject to and upon the payment by Customer to Hyland of any additional Professional Services fees as Hyland may charge to prepare and deliver such format. In such case, Hyland grants to Customer the right to modify, and if necessary, compile the delivered format of the Independent Work Product, provided such modified Independent Work Product is used only in compliance with the terms of the limited license to such Work Product granted under this Section.

8.3.2 Remedy. Hyland's sole obligation, and Customer's sole and exclusive remedy, for any non-conformities to the express limited warranty under Section 8.3.1 shall be as follows: provided that, within the applicable 60-day period, Customer notifies Hyland in writing of the non-conformity, Hyland will either (a) repair or replace the non-conforming Work Product, which may include the delivery of a reasonable workaround for the non-conformity; or (b) if Hyland determines that repair or replacement of the Work Product is not commercially practicable, then terminate this Schedule with respect to the non-conforming Work Product, in which event, upon compliance by Customer with its obligations upon termination, Hyland will refund any portion of the services fees paid prior to the time of such termination with respect to the creation and implementation of such Work Product.

8.4 Work Products Infringement Indemnification. Hyland agrees to indemnify Customer against all liability and expense, including reasonable attorneys' fees, arising from or in connection with any third party claim, action or proceeding instituted against Customer based upon any infringement or misappropriation by the Work Products of any patent,

registered copyright or registered trademark of a third party that is enforceable in the United States, provided that Hyland: (a) is notified immediately after Customer receives notice of such claim; (b) is solely in charge of the defense of and any settlement negotiations with respect to such claim, provided that Hyland will not settle any such claim without the prior written consent of Customer if such settlement contains a stipulation to or admission or acknowledgement of any liability or wrongdoing on the part of Customer or otherwise requires payment by Customer; (c) receives Customer's reasonable cooperation in the defense or settlement of such claim; and (d) has the right, upon either the occurrence of or the likelihood (in the opinion of Hyland) of the occurrence of a finding of infringement or misappropriation, either to procure for Customer the right to continue use of the Work Products, or to replace the relevant portions of the Work Products with other equivalent, non-infringing portions.

8.4.1 Removal and Refund. If Hyland is unable to accomplish either of the options set forth in Section 8.4(d), Hyland shall remove the infringing portion of the Work Products and refund to Customer the full services fees paid, if any, by Customer for the creation and implementation of the infringing Work Products.

9.1 Generally. In addition to the termination provisions set forth in Section 1.2 of the General Terms Schedule, Customer or Hyland may terminate this Schedule, including any Services Proposal, for any reason, upon not less than thirty (30) days advance written notice to Hyland to such effect. In the event this Schedule is terminated in its entirety, any Services Proposal not terminated shall survive in accordance with its terms and the terms of this Schedule.

9.2 Terminating a Services Proposal. In addition to the terms provided in Section 1.3 of the General Terms Schedule, in the event of any termination of a Services Proposal, Customer agrees to compensate Hyland for all Professional Services already performed prior to, and including, the date of termination, except to the extent that Hyland has breached its obligations to perform such Professional Services and such breach is the cause of such termination.
